

Dear Colleagues in the Worldwide Biography Conference community,

After thoroughly observing and analysing the Global Covid 19 pandemic situation, our Finnish WBC team have taken the difficult decision to pause organising the next conference in Finland for a further year. We made this decision following extensive international consultations with colleagues who are well informed about their own regional and local situations and expectations.

So, the next Worldwide Biography Conference will be held in Finland in 2022. The dates we are planning for, Wednesday 29th June to Sunday 3rd July 2022, will be announced on the web site: www.worldwidebiographyconference.com

How can we all turn this extended transition period into a challenging, inspirational opportunity for everyone, whilst continuing to serve the development of biography work in all our localities, regions and countries worldwide?

The Finnish WBC team will do its very best to keep the Inspiration flowing, hold our Spirit high and maintain lively contact through our international cooperation with colleagues.

Please do not hesitate to contact us about this new development. Your individual local news and regional observations, in whatever way, will be gratefully witnessed by the Finnish WBC team.

We thank you all, who have already been actively helping and nourishing us with, for example, mantra translations and workshop offers for the next conference. We welcome your feedback, suggestions and new ideas; and you can be sure that we will be in touch regularly ...

Yours Sincerely

Hannu and Jaana Tuovinen

Mikko Romppanen

On behalf of the Finnish WBC team
